

A solution to cut roaming charges

Smart business travellers no longer need to incur hefty roaming rates charged by overseas incumbent operators with **ZONE GLOBALDIAL** from ZONE1511. ZONE GLOBALDIAL takes out the uncertainty of overseas IDD rates, helping you avoid high roaming charges. With ZONE GLOBALDIAL you know exactly what you are paying for.

Tailored for frequent travellers, ZONE GLOBALDIAL is a suite of two anti-roaming services, **DialForward** and **Call-Me-Back** that help you stay in contact with your business partners and family when you are overseas. Travellers can now enjoy ZONE1511's signature crystal clear call quality at a lower rate from anywhere in the world, especially for calls made back to Singapore.

Be a ZONE1511 member now to enjoy these two smart, cost-cutting features.

ZONE GLOBALDIAL offers two excellent ways to save on roaming charges and so much more!

✓ DIALFORWARD

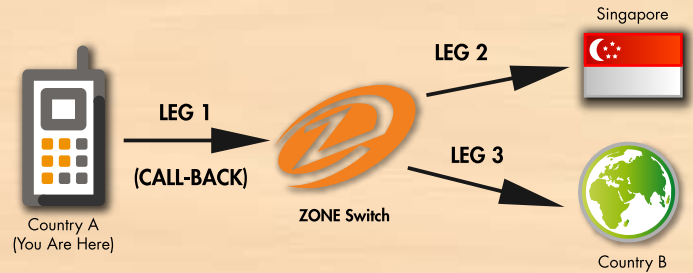

DialForward allows you to stay contactable wherever you are by forwarding all calls from Singapore (fixed line and/or mobile phone) to your designated overseas numbers via ZONE1511. This way, you will never miss a call from Singapore.

- Total call charge when your contact in Singapore calls you = LEG 3 GlobalDial rate
- Total call charge when your contact in Country A calls you = LEG 3 GlobalDial rate

✓ CALL-ME-BACK

Avoid roaming charges or high international call rates with this call-back service that helps you set up Singapore-originated calls to anywhere in the world while overseas.

- Total call charge when you call back to Singapore = LEG 1 GlobalDial rate
- Total call charge when you call to Country B = LEG 1 + LEG 3 GlobalDial rates

✓ MORE FLEXIBILITY

- Choose either DialForward, Call-Me-Back or both features according to your needs.
- Activate or de-activate the service as and when you need it.

✓ MORE CONVENIENCE AND ACCESSIBILITY

- Call from anywhere and to everywhere in the world.
- Be contactable via your Singapore number anywhere in the world.
- Set up ZONE GLOBALDIAL account anytime, anywhere on the internet or simply call our Corporate Helpdesk at 6720 6726 / 6727 for assistance.
- Manage your ZONE GLOBALDIAL account by adding or deleting users at your convenience via our friendly online tools.

✓ MORE CONTROL AND SECURITY

- Keep track of IDD spending with online real-time call details 24/7.
- Your access numbers for DialForward and Call-Me-Back features are unique and dedicated to you. Only you can access and make calls with these numbers. Unlike common access number, dedicated access number ensures connectivity giving you greater peace of mind.

✓ BETTER CALL QUALITY

- ZONE1511 only partners Tier 1 international operators for optimal voice quality and connection.
- Unlike VoIP, we make use of a traditional voice switch which guarantees the quality of voice transmission.
- Our dedicated team performs round-the-clock quality maintenance and regular test calls, ensuring the best quality connection and reliability for all your calls.

Terms & Conditions:

*A monthly subscription fee of \$8 for each access number is applicable and shall be charged:
 (a) in full or pro-rated if the subscription is less than one month.
 (b) an additional fee of S\$2.00 if the access number is terminated within seven (7) days.

Making use of ZONE GLOBALDIAL service on your mobile phone requires an overseas SIM card.
